We are very sorry to have kept you waiting for this so, we have decided?

1. All 4 picture book achievements that are supposed to be achieved initially through playing the game will be given after the first cut scene at the train station. So that everyone who has played it once wouldn't have to replay it again!
2. For those who have gotten the 4 new achievements and have at least a 2hr gameplay time on it, please send us a screenshot of your achievements and total game time to our customer service email at 2535104877@qq.com (Please be sure that the screenshot includes your name and other details, so we know whom to send the activation code to.)

Once that is done, we will send you an activation code for either a DLC or a special feature. (PRICE is free, but the DLCs are not. You can specify what you want, but if you don't, we will send you a random activation code for any of them. This special feature will up the total number of games own on steam a +1 without actually giving you a new game.)
(This offer ends on the 25th of February)

Lastly, we would like to thank everyone for playing our games and here's wishing you a happy Chinese New Year!!
